Shared Governance elected positions

APSCUF/SU is responsible for organizing the elections for the shared governance positions, but the departments determine who will be on the ballot for these important roles in the university-wide shared governance process.

The APSCUF/SU office has sent memos to the department chairs requesting names of faculty nominees for University Curriculum Committee, Faculty Representatives to Forum, and the University-Wide Promotion Committee. This info is usually presented at departmental meetings in February and each department selects candidates to run for the positions and notifies the APSCUF office at DLWorden@ship.edu. Diana prepares the ballots based on information provided by the department. **Departments please have all shared governance nominees to the APSCUF office by Tuesday, March 1, 2016.**

All full-time faculty are eligible to run for Shared Governance positions, regardless of APSCUF membership. If you are interested in running for a position, please be sure you will not have a teaching assignment or be on sabbatical during the known scheduled meeting times of any of the committees for the 2-year term.
