SPRING ELECTIONS – Faculty

Please mark your calendars and be sure to VOTE on

March 27 & 28 from 9:00am-4:00pm

In DHC Fishbowl

All faculty elections are run by APSCUF, but there are really two different processes that are part of the same election period. There is the election of APSCUF Executive Committee members which is described in greater detail below. There is the also election of faculty to Shared Governance positions as authorized by our university Governance Document and detailed in local policies. The APSCUF/SU Representative Council met on Thursday, January 25, 2018 and elected the following faculty to serve on the Nominations & Elections Committee for APSCUF positions:

Jayleen Galarza - (Education & Human Services)
Dave Kennedy - (Arts & Sciences)
Carrie Michaels - (Faculty not in a College) Chair
Kristy Trn - (Coach)
Suyan Zheng - (Business)

The committee seeks nominees for the following 2018-19 APSCUF/SU offices to be decided during the spring elections on March 27 & 28, 2018. If you are interested in a position or would like to nominate someone for a position please email the APSCUF office (apscuf@ship.edu), by March 8, 2018 at 12pm. The slate of nominees for APSCUF offices closes on March 8, 2017 at 3:30pm during the Rep Council Meeting.

All positions are two-year terms and are voting members of the local APSCUF Executive Committee. Newly elected members take their seats on May 15th. You must be available for meetings the third Thursday of each month (including summer except July except under unusual circumstances) at 3:30pm. Depending on the issues to be addressed, these meetings may run 2-3 hours.

Shared Governance

The Shared Governance positions include such committees as the University wide Promotions committee, the University Forum, and the University Curriculum Committee. Each department chair has been sent a memo from APSCUF specifying the positions available for faculty members of their particular department. This info is usually presented at departmental meetings in February and each department selects candidates to run for the positions and notifies the APSCUF office. Diana prepares the ballots based on information provided by the departments.

All full-time faculty are eligible to run for Shared Governance positions, regardless of APSCUF membership. **If you are interested in running for a position, please be sure you will not have a teaching assignment or be on sabbatical during the known scheduled meeting times of any of the committees. It is a 2 year term.**
