Re: Tenure Application Deadline

Dear Ms. DuVall-Quinn:

This agreement comes to you as a follow-up to the prior agreements reached with the Association of Pennsylvania State College and University Faculties (APSCUF) concerning extending the deadline for all eligible Pennsylvania State System of Higher Education (PASSHE) faculty to submit tenure applications for consideration for this academic year.

In accordance with our collective bargaining agreement (Article 15C.1), the applicants must submit tenure applications to the office of the President of each applicant's respective University by December 31. This year December 31 falls on a Saturday, and as such, all PASSHE Universities will be closed.

By signing below, PASSHE and APSCUF hereby agree to extend the application submission deadline to Tuesday, January 3, 2012.

Sincerely,

Michael A. Mottola
Assistant Vice Chancellor for Labor Relations
