

**CONNECTICUT STATE UNIVERSITY
AMERICAN ASSOCIATION OF UNIVERSITY PROFESSORS**

Whereas, the Association of Pennsylvania State Colleges and University Faculties (APSCUF) faculty members have been working at Pennsylvania's 14 public universities without a contract since June 30, 2015; and

Whereas, faculty teaching conditions are student learning conditions; and

Whereas, protecting quality public higher education is protecting the public good; and

Whereas, the Connecticut State University American Association of University Professors (CSU-AAUP) and its 3,200 members stand in solidarity with our colleagues in APSCUF as they fight for a fair contract; now therefore

Be it resolved that, CSU-AAUP calls on the Pennsylvania State System of Higher Education to negotiate a fair contract with APSCUF and end this strike so faculty can continue instructing and inspiring Pennsylvania's leaders, inventors, and thinkers of the future.
