

# **ELECTRONIC SUBMISSION OF DENTAL CLAIMS**

The Fund Office accepts the electronic submission of dental claims from dental card providers. **This includes claims for payment and pretreatment reviews (PTR's) that do not require X-rays.** In order to ensure faster processing and payment of dental claims from the Fund Office, you are encouraged to provide your dental care provider with the Fund's Electronic Data Interchange (EDI) payer number.

***The Fund's EDI Payer Number:***

**25172**

Ask your dentist to comply with federal requirements for the electronic submission of dental claims as proscribed by EDI.

For your information, nearly 90% of all dental claims, for the Faculty and their eligible dependents, are submitted to the Fund Office by dental care providers. Dental claims filed electronically are processed and paid within a week of receipt by the Fund Office.
