

How can I go about finding a place to live?

Besides looking for rentals or homes to purchase in Bloomsburg, you may want to consider nearby towns. Danville, Berwick, and Catawissa have grocery stores, gas stations, etc and are located within 10 miles from Bloomsburg. Two townships that are essentially suburbs include Espy and Lightstreet. Towns with fewer services, but have gas stations-markets and are located fewer than 10 miles from Bloomsburg include Millville and Orangeville.

You should check out the classified advertisements in the [Press Enterprise](#), a newspaper that serves Bloomsburg and the surrounding area.

Real Estate agents arrange rentals and the purchase of homes. To learn more about Real Estate agents, you may want to check out the website, [Realtor.com](#), where you can search for agents and companies.

Some general tips:

1. If you are looking for a rental, find out if heating is included in the rental cost. If heating is not included, find out what the heating source is and the estimated costs. Traditional heating sources include oil, electric, or natural gas.
2. If you are renting or buying a property, find out if parking is included because parts of Bloomsburg and nearby towns only offer on-street parking for which you will likely need a parking permit.
3. If you have school-age children, then look below at links to information about schools.
4. Consider asking your department for help in finding a place; department chairs or secretaries can send out email inquiries to the campus community, and colleagues might even be willing to check out apartments if you are unable to get to Bloomsburg easily.
5. Flooding is a natural part of living in the Susquehanna River valley, so you may want to make inquiries about flood impact on the land surrounding properties of interest.

Moving to Bloomsburg

Please note the town of Bloomsburg runs a street sweeper daily from 8:00 AM to 3:00 PM April to November to prevent debris from blocking the sewers, and will issue tickets to cars that are in the way, even if they have displayed a parking hang tag.

Check street signs on your block to determine which day(s) of the week to avoid parking on the street.
