Where existing laws against discrimination require accommodation, the STATE SYSTEM will accommodate to the extent required by law.

Section 2. There shall be no discrimination by either of the parties hereto or any COACH against members of the same family regarding concurrent employment at any UNIVERSITY.

Section 3. If any provision of this Agreement is in conflict with the Civil Rights Act of 1964, as amended, or Executive Orders 11246 and 11375, as amended, the provisions of such laws, orders, rules or regulations shall prevail. Any rule not consistent with this Agreement and adopted by the STATE SYSTEM subsequent to the signing of this Agreement, shall not prevail against the terms of this Agreement.

Section 4. The STATE SYSTEM/UNIVERSITIES and APSCUF, as the representative of COACHES, shall meet and discuss at the STATE SYSTEM level during the term of this Agreement on such aspects of this Article that are of mutual interest.

ARTICLE 4 GRIEVANCE PROCEDURE AND ARBITRATION

Section 1. Intent. It is the declared objective of the STATE SYSTEM / UNIVERSITIES and APSCUF to encourage the just resolution of grievances. In order to effect a prompt resolution of grievances, the STATE SYSTEM/UNIVERSITIES, APSCUF and the COACHES shall make available one to the other all known relevant facts so as to enable the parties to resolve grievances. The parties further agree that the orderly processes hereinafter set forth below shall be the sole method used for the resolution of grievances.

Section 2. A grievance may be filed by a COACH, a group of COACHES, or APSCUF. APSCUF may present a policy grievance [one that affects more than one (1) COACH] at any step of the grievance procedure prior to arbitration.

Section 3. Definition. A “grievance” is an allegation by APSCUF or a COACH or group of COACHES that there has been a specific violation, misinterpretation or improper application of an Article(s) and Section(s) of this Agreement by the STATE SYSTEM/ UNIVERSITIES and a statement of the remedy being requested. It is understood and agreed between the parties that APSCUF or a COACH will be allowed to make amendments to the grievance up to the submission of Step Two. It is also understood that if such amendments are made to a grievance in the submission to Step Two, either party may resubmit to Step One for reconsideration.

Section 4. Procedure.

Step One. APSCUF or a COACH or a group of COACHES shall present a grievance orally or in writing stating the facts, and listing the Articles and Sections of this Agreement or the specific regulation(s) or procedure(s) upon which the grievance is based. Such written grievance(s) shall be submitted to the President or their designee within forty (40) calendar days of the occurrence giving rise to the grievance or within forty (40) calendar days of the date on which the grievant or grievants learned of such occurrence, with the exception that if the forty (40) days expire between May 1 and September 1 of any year, the grievance shall be submitted to the President or their designee by September 30 of such year or within forty (40) calendar days, whichever comes later. The President or their designee shall have twenty (20) calendar days following the receipt of such written grievance to investigate the matter as they shall deem appropriate, discuss the matter with the grievant, group of grievants and/or the local APSCUF grievance chairperson or their designee where appropriate, and to submit a written response.

Step Two. If the grievance has not been resolved at Step One APSCUF or a COACH or a group of COACHES may, within fifteen (15) calendar days after the decision from the President or their designee at Step One is due, submit a written appeal to the Chancellor of the STATE SYSTEM or their designee. The Chancellor of the STATE SYSTEM or their designee shall have thirty (30)

calendar days following the receipt of such written appeal to submit a written response to the grievant, group of grievants and APSCUF.

Step Three – Binding Arbitration. If the grievance has not been resolved at Step Two, APSCUF, but not an individual COACH or group of COACHES, has the sole right to refer a grievance to arbitration and to conduct the proceeding as a party, and shall within forty (40) calendar days of the receipt of the written response from Step Two submit a written notice to the Chancellor of the STATE SYSTEM or their designee of its intent to submit the grievance to binding arbitration. It is understood that only APSCUF, or counsel for APSCUF, may present the case in support of any grievance at arbitration.

Section 5. The parties shall have the right mutually to agree upon the arbitrator, but in the event they cannot agree within fifteen (15) calendar days of receipt of the notice to arbitrate, the matter shall forthwith be submitted to the American Arbitration Association for the appointment of an arbitrator. In all cases, selection of the arbitrator and the arbitration proceedings shall be conducted in accordance with the Voluntary Labor Arbitration rules of the American Arbitration Association at the time obtaining. The arbitration hearing shall be held at such time and place as is convenient to the parties, consistent with the circumstances of the case.

Section 6. The decision of the arbitrator shall be final and binding upon the parties, except where the decision would require an enactment of legislation in which case the decision shall be binding only if and when such legislation is enacted. The arbitrator shall have no authority to add to, subtract from, or modify this Agreement. Each case shall be considered on its merits and this collective bargaining agreement shall constitute the sole basis upon which the decision shall be rendered. If there is a question as to whether the arbitrator has jurisdiction to hear a case, this question must be heard and an immediate bench ruling issued by the arbitrator prior to their hearing and deciding the merits of the case. The arbitrator shall confine themselves to the precise issue the parties have agreed to submit for arbitration and shall have no authority to determine any other issues not so submitted to them. The arbitrator shall be requested to issue their decision within thirty (30) calendar days after the hearing or receipt of the transcript of the hearing.

Section 7. The arbitrator's fees and expenses shall be shared equally by APSCUF and the STATE SYSTEM/UNIVERSITIES, but each party shall bear its own cost of preparing and presenting its case to the arbitrator. Where one of the parties to this Agreement requests a postponement of a previously scheduled arbitration that results in a postponement charge, the postponing party shall pay such charge, unless the postponement results in a settlement of the grievance, in that event, the charge shall be divided equally among the parties. A postponement charge resulting from a joint postponement request shall be shared equally by the parties. Either party to an arbitration may request that a transcript of the hearing be made. The requesting party shall pay the cost for the transcript and shall provide a copy free of charge to the arbitrator. In the event the party, who did not order a copy of the transcript at the hearing, subsequently decides to order a copy of the transcript, that party shall share equally in the cost of the copy of the transcript provided to the arbitrator.

Section 8. The failure of either party to demand compliance with or to comply with the time limits of Steps One or Two of Paragraph 3 of this Article shall not bar either party from requiring that the stated time limits at Step Three be met.

Section 9. If a COACH has the right to appeal a discharge or other disciplinary action as allowed by another Article of this Agreement, they may do so at the second step of the grievance procedure. Any such appeal must be presented in writing within fifteen (15) calendar days after the COACH has received written notice of the disciplinary action. A copy of the written notice shall be mailed to the local APSCUF grievance chairperson and State APSCUF on the day the written notice is mailed or delivered to the COACH, whichever is earlier.

Section 10. Time of the Essence.

A. The filing of a grievance or appeal from any step of this grievance procedure or the notice of any intent to arbitrate shall be accomplished within the time limits specified and, in the event such is not done, the Administration's decision at the prior step shall be final and binding upon the parties and shall not be subject to further appeal of any kind, provided, however, that the said time limits may be extended by written or oral mutual agreement for any reason, and reasonable requests for extensions shall not be arbitrarily denied; and provided, further, that a grievant shall not be penalized as to time if they have been misled by a representative of the STATE SYSTEM/UNIVERSITIES.

B. Failure to communicate a decision at any step of this grievance procedure within the specified time limits shall permit it to be advanced to the next step of the procedure, unless a longer period is established by mutual consent.

Section 11. Rights of APSCUF.

A. APSCUF's representative(s) shall be advised of the existence of a grievance as soon as the UNIVERSITY Administration becomes aware of its existence. As early as possible and practical, copies of all transcripts, documents and correspondence filed with respect to a grievance shall be made available to APSCUF, and at APSCUF's request be provided to APSCUF. Costs of reproduction shall be borne by APSCUF should the STATE SYSTEM/UNIVERSITIES request such payment.

B. Any individual COACH or group of COACHES shall have the right at any time to present grievances to the STATE SYSTEM/UNIVERSITIES and have them adjusted without the intervention of APSCUF as long as the adjustment is not inconsistent with the terms of this Agreement, and provided further that APSCUF has been given the opportunity to be present at such adjustment.

C. APSCUF's representative(s) shall be permitted to represent the grievant when requested to do so by the grievant and, in any event, to represent and speak on behalf of APSCUF's particular point of interest in connection with that grievance. In this regard, it is understood that the grievant has the right to represent themselves and APSCUF shall not interfere with that right.

Section 12. Disposition of Grievances. Any settlement, withdrawal or disposition of a grievance at Step One in paragraph 3 above shall not constitute a binding precedent for the settlement of similar grievances in the future. The parties shall endeavor to implement fully any settlement agreement(s) or arbitration award(s) within sixty (60) days of the receipt of said agreement or award.

ARTICLE 5 RIGHTS AND PRIVILEGES OF APSCUF

Section 1. Duly authorized representatives of APSCUF shall be permitted to transact official APSCUF business on behalf of COACHES on UNIVERSITY property at reasonable times, provided that such business shall not interfere with or interrupt normal UNIVERSITY operations or the responsibilities of COACHES.

Section 2. APSCUF shall have access to the use of UNIVERSITY equipment at reasonable times and after reasonable notice, provided such use does not interfere with the normal operations of the UNIVERSITY. APSCUF shall pay the cost of all materials, supplies and other charges incident to such use, including postage and telephones.

Section 3. The STATE SYSTEM/UNIVERSITIES shall make available to APSCUF, upon its reasonable request and within a reasonable time thereafter, such accurate information records, statistics and financial data related to the bargaining unit and operation of the UNIVERSITIES that are in the possession of the STATE SYSTEM/UNIVERSITIES or its agents and are necessary for negotiations and/or the implementation of this Agreement.

Section 4. COACHES shall be permitted to participate in meetings of APSCUF provided that UNIVERSITY management is given at least one week advance notice and that the duties and responsibilities of the COACHES are fulfilled, and provided further that any additional costs to the UNIVERSITY that arise as a result of the COACHES' participation in such meetings will be paid for by APSCUF, and provided finally that all expenses of the COACHES who participate in such meetings shall be paid for by APSCUF.

Section 5. The UNIVERSITIES shall advise APSCUF of all vacancies for COACHES in faculty, coaching, and management positions, but neither APSCUF nor COACHES shall have any special rights with respect to any such vacancies. The UNIVERSITIES are not required to send duplicative notices to APSCUF of vacancies.

Section 6. APSCUF shall have the right to use the UNIVERSITY'S mail distribution service (including electronic mail) for APSCUF official communications. The UNIVERSITY will not block APSCUF email addresses.

Section 7. The STATE SYSTEM and/or the UNIVERSITIES shall advise the appropriate body of APSCUF two weeks in advance, or promptly after scheduling, of the open meetings of the UNIVERSITY'S Council of Trustees and of the STATE SYSTEM'S

Board of Governors; and shall provide APSCUF with a copy of the advance agenda for any such meetings, if one is available. APSCUF, as the exclusive bargaining agent for the COACHES, shall at reasonable times and upon reasonable notice, have the right to request a place on the agenda for any such meeting. Any such request shall not be unreasonably denied. In addition, APSCUF shall be provided with copies of official minutes of all such meetings upon publication, provided the same are available for public distribution.

Section 8. All newly-hired COACHES shall be invited to attend a University-wide orientation once each year. APSCUF's designated representative shall be given a place on the agenda for at least 90 minutes at any formal UNIVERSITY-wide orientation.

Section 9. APSCUF may designate a COACH as the campus representative at each UNIVERSITY and up to two (2) statewide representatives from all UNIVERSITIES who shall be granted priority in the scheduling of athletic facilities and other professional responsibilities, except for previously scheduled athletic contests, in order to facilitate the implementation of this Agreement.

B. The UNIVERSITY President or their designee shall meet monthly with a committee appointed by the UNIVERSITY Chapter of APSCUF for the purpose of discussing matters related to the implementation of this Agreement unless APSCUF requests to have a separate meet and discuss format for COACHES at the UNIVERSITY level.

C. Meetings shall be scheduled in such manner and at such times as the parties may mutually determine.

D. A record of the proceedings of such meetings, which accurately reflects the substance of the discussion, shall be maintained if the parties at such meetings mutually agree.

ARTICLE 6

Section 1. The STATE SYSTEM/UNIVERSITIES at their sound discretion, possess the right, in accordance with applicable laws, to manage all operations and UNIVERSITY sports including the direction of COACHES and the right to plan, direct and control the operation of all facilities and property of the STATE SYSTEM, except as modified by this Agreement.

Section 6. Work-Related Injury Leave

A. A COACH who sustains a work-related injury as the result of which the COACH is disabled, if so determined by a decision issued under the operation of the Workers’ Compensation Insurance program, shall be entitled to work-related disability leave. Work-related disability leave is a leave of absence for which the COACH will be paid full pay reduced by an amount that yields a net pay, including Workers’ Compensation and Social Security Disability Benefits, that is equal to the COACH’S net pay immediately prior to the injury. Net pay prior to injury is defined as gross base pay minus federal, state, and local withholding and Social Security and retirement contributions. Work-related disability leave shall be payable for an aggregate of twelve (12) months or for the duration of the disability, whichever is the lesser. In no case, however, will the aggregate of twelve (12) months extend beyond three (3) years from the date the injury occurred.

B. There shall be no reduction in credited service under the State Employees’ Retirement Code during the period of time that the COACH is on work-related disability leave.

C. A COACH who qualifies for work-related disability leave shall not be entitled to use sick leave during the period of eligibility. If the disability continues, sick leave accumulation

may be taken at the expiration of the eligibility period to the extent of such accumulation. Sick leave shall be earned on thirty-four percent (34%) of the work-related disability leave hours used.

D. A COACH is required to refund to the Employer the amount of the overpayment of pay if an overpayment results because a claim denial is issued under the operation of the Workers' Compensation Insurance program. In no case shall a COACH be entitled to full pay and Workers' Compensation and/or Social Security for the period of eligibility. The Employer shall recover any amount in excess of the COACH'S work-related disability leave amount. Failure to apply for or report Social Security or other applicable disability benefits to the Employer will result in the termination of work-related disability leave.

E. Employer-paid coverage for hospital and medical insurance and life insurance as provided in Articles 11 and 12 will continue for the period of time that the COACH is on work-related disability leave under paragraph 6.A above.

F. A COACH has the right to return to the same position held before being disabled, for a period of up to three (3) years from the date the injury occurred, provided the COACH is fully capable of performing the duties of that position. This guarantee expires if the disability ceases prior to the expiration of the three (3) year period and the COACH does not return to work immediately; or if the COACH retires or otherwise terminates employment. During this period of time between the end of the work-related disability leave and the end of the guarantee in this paragraph, the COACH will be on leave without pay unless the COACH is using sick leave in accordance with 6.C above.

G. The compensation for disability retirement shall be in accordance with applicable law. It is understood that this section is not applicable to retirement under the Alternative Retirement Plan.

H. A COACH who sustains a work-related injury during the period of this Agreement, if so determined by a decision issued under the operation of the Workers' Compensation Insurance program, may be absent from work with pay on ten (10) occasions without use of sick leave for the purpose of continued medical treatment of the work-related injury for a period of three (3) years from the date the injury occurred. Each absence shall not exceed one work day or the minimum amount of time necessary to obtain the medical treatment, whichever is less, and must be substantiated by a doctor's certificate verifying that the medical services were necessary and related to the work injury. COACHES shall make reasonable efforts to schedule medical appointments during non-work hours. Verification of the length of the medical appointment may be required. Section 8. Childrearing Leave

Regular full-time and Regular part-time COACHES may be granted leave without pay, without benefits, at the sole discretion of the President or their designee for the purpose of childrearing, for a period not to exceed two (2) years, which may be extended by the President or their designee for an additional two (2) year period. The UNIVERSITY may hire a temporary COACH for the length of the leave of absence, and the Contract of Employment for such temporary COACH shall not be subject to the provisions of Article 8.

If the nature of the work makes it necessary to limit the number on personal leave, the COACH with the highest total years of service at the UNIVERSITY shall be given their choice of personal leave in the event of a conflict in selection.

D. Personal leave to which an eligible COACH may become entitled shall be granted before it is earned subject to management's responsibility to maintain efficient operations. After completing one (1) year of service, COACHES shall be granted up to twelve (12) weeks of FMLA leave with benefits, on a rolling twelve (12) month year basis, provided the employee has at least 1,250 hours of actual work time within the twelve (12) months preceding the commencement of the leave. Leave under this Section may be approved on an intermittent, reduced time, or full-time basis. Leave entitlement will be pro-rated for eligible Regular part-time COACHES.

If the leave is for a military caregiver under (e) above, twenty-six (26) weeks of leave within a single twelve (12) month period is provided and other FMLA leave used does not reduce this entitlement. For FMLA leave due to reasons (a), (b), (c), or (d) above, one aggregate twelve (12) week entitlement is provided.

3. Upon request of an eligible Regular full-time COACH or Regular part-time COACH, an extension of up to an additional nine (9) months of leave without pay shall be granted for the following reasons:

- a. Regular full-time or Regular part-time COACH sickness upon receipt of proof of continuing illness or disability,

- c. parental reasons.

The extension for an eligible Regular full-time COACH or Regular part-time COACH shall be with benefits for the first fourteen (14) weeks and shall be without benefits for the remainder of the extension. Such extensions shall be contiguous to the termination of the twelve (12) week FMLA entitlement or any additional paid leave pursuant to Section E.3. It shall not be used on an intermittent or reduced-time basis. Leave entitlement will be pro-rated for Regular part-time COACHES.

4. Upon request, up to thirteen (13) weeks of leave without pay shall be granted to a Regular full-time COACH or a Regular part-time COACH with less than one (1) year of employment, provided the absence is at least two (2) consecutive weeks in duration; however, only one (1) occasion within a twelve (12) month rolling year may be approved.

5. This section shall not apply to a compensable work-related injury.

C. Granting Leave

An eligible COACH shall submit written notification to the COACH's appropriate supervisor stating the anticipated duration of the leave at least two (2) weeks in advance if circumstances permit, in accordance with the following:

For a COACH who becomes a parent, documentation is required and FMLA leave shall begin whenever the COACH requests on or after the birth, adoption or foster care placement; however, it may be used prior to the date of custody or placement when required for adoption or placement to proceed, and no FMLA leave shall be granted beyond one (1) year from the date of birth, of assuming custody of an adopted child or placement of a foster child.

4. In no case shall a COACH be required to commence FMLA leave sooner than they request, unless the COACH can no longer satisfactorily perform the duties of the position.

D. Resumption of Duties

A COACH shall not be required to use personal or compensatory leave upon commencement of FMLA leave. Any paid leave used will run concurrently with and reduce the entitlements under Article 9, Section 13.B.1. Unused leave shall be carried over until return.

2. A Regular full-time COACH or Regular part-time COACH may choose to retain up to twenty (20) days of accrued sick leave. The choice to retain or not retain sick leave cannot be made retroactively, and saved days will be measured based on accrued sick leave available at the commencement of the absence. Saved days may be used during the twelve (12) week entitlement as certified by a physician; such sick leave will run concurrently with and reduce the entitlement. Days saved and requested for intermittent or reduced-time absences for periods less than two (2) consecutive weeks after the first twelve (12) week entitlement will be reviewed for approval under the provisions of Article 9, Section 1, Sick Leave; such use will not be counted against the FMLA entitlement.

3. A Regular full-time COACH or Regular part-time COACH who has accrued more than twelve (12) weeks of paid leave is not limited to twelve (12) weeks of leave. Leave in excess of twelve (12) weeks shall not be designated as FMLA leave, but will be granted according to Article 9, Section 1, Sick Leave; Article 9, Section 12, Personal Leave; and Article 7, Section 3.G, Compensatory Leave. Use of accrued paid leave beyond the FMLA leave shall not diminish the right to an extension under Article 9, Section 13.B.3.

4. In addition, any Regular full-time COACH or Regular part-time COACH who becomes a parent may use up to ten (10) consecutive days of paid sick leave (accrued sick leave or as donated from the sick leave bank) during an otherwise unpaid parental leave under Article 9, Section 13.C.3. No such leave shall be granted beyond one (1) year from the date of birth, of assuming custody of an adopted child or placement of a foster child.

A. A COACH who is authorized by the STATE SYSTEM/UNIVERSITIES to travel on official business shall be paid for expenses actually incurred in accordance with the STATE SYSTEM'S travel and subsistence allowance regulations. If the General Services Administration of the federal government increases or decreases the mileage allowance for employees under its jurisdiction, the mileage allowance for COACHES will be increased or decreased on the effective date of the General Services Administration change. If a COACH is authorized to travel and authorized to use their own vehicle, they shall be reimbursed pursuant to these regulations.

B. Reasonable efforts will be made to process travel expenses promptly.

C. Travel expenses incurred by a COACH when traveling to Meet and Discuss or other APSCUF related matters shall not be reimbursed by the STATE SYSTEM/UNIVERSITIES.

Section 2. Team Travel

A. Each UNIVERSITY shall transport COACHES, student athletes, equipment, and other support personnel to and from all intercollegiate athletic competitions. COACHES may, however, elect to drive a UNIVERSITY vehicle with the approval of the Athletic Director.

B. All expenses actually incurred by a COACH during team travel shall be reimbursed in accordance with the State System Travel and Subsistence Allowances Regulations

except that when rooms are not available at the STATE SYSTEM-approved reimbursement rate, reimbursement shall be at the actual rate, if pre-approved by an appropriate representative of management.

ARTICLE 17
AGREEMENT AGAINST STRIKES AND LOCK-OUTS

Section 1. During the term of this Agreement there shall be no strike, as that term is defined in the Public Employee Relations Act, by any COACH. It is also understood that no officer, representative or official of APSCUF shall in any fashion authorize, assist or encourage any such strike during the term of this Agreement.

Section 2. Neither the STATE SYSTEM nor the UNIVERSITIES shall lock-out any COACH(ES) during the term of this Agreement.

Section 3. Should a strike in violation of this Article occur during the term of this Agreement, APSCUF shall, within twenty-four (24) hours of the start of such strike or at the request of the STATE SYSTEM/UNIVERSITIES;

A. Publicly disavow the strike action by the COACHES in all available communications media;

B. Advise the STATE SYSTEM/UNIVERSITIES in writing that such COACHES' action has not been authorized or sanctioned by APSCUF;

C. Advise COACHES at the UNIVERSITIES where the strike is taking place that it has not sanctioned and has disapproved of the strike action, and APSCUF shall instruct the COACHES to return to work immediately.

Section 4. The STATE SYSTEM/UNIVERSITIES reserve the right in their sole discretion to discipline, suspend, or discharge any COACH(ES) who violates the provisions of Section 1 of this Article.

Section 5. Compliance with the foregoing provisions of this Article shall be deemed full compliance with APSCUF's obligations under this Article. APSCUF shall have no other obligations or liabilities to the STATE SYSTEM/UNIVERSITIES under this Article.

ARTICLE 18
LEGISLATIVE ACTION

Section 1. In the event that any provision of this Agreement requires legislative action to become effective, including, but not limited to, amendment of existing statutes, the adoption of new legislation, the passage of the STATE SYSTEM budget or the granting of other appropriations, the provision shall become effective only if such legislative action is taken. The parties, however, mutually agree that each will make such appropriate but separate recommendations to the Legislature that each deems necessary to give force and effect to the

provisions of this Agreement. It is agreed by the parties that the provisions of this Section shall not be subject to the provisions of Article 4, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

Section 2. The STATE SYSTEM and APSCUF shall each separately and in good faith attempt to have introduced and support legislation that each party independently deems is necessary to implement a provision of this Agreement. Where the parties mutually agree upon the need for implementing legislation and the form and language of that legislation, they will lend full support to the introduction and passage of such mutually agreed upon legislation. It is agreed by the parties that the provisions of this Section shall not be subject to the provisions of Article 4, GRIEVANCE PROCEDURE AND ARBITRATION, of this Agreement.

Section 3. In the event that legislation, which both parties mutually agree is necessary, is not passed with respect to a specific subject matter, the parties hereto shall have the right to re-negotiate regarding the subject matter.

ARTICLE 19 SEPARABILITY

In the event that any provision of this Agreement is found to be inconsistent with statutes or ordinances, the provisions of such statutes or ordinances shall prevail, and, if any provision herein is determined to be invalid and unenforceable by a court or other authority having jurisdiction, such provision shall be considered void, but all other valid provisions hereof shall remain in full force and effect.

ARTICLE 20 TOTALITY OF AGREEMENT

The parties acknowledge that this Agreement represents the results of collective negotiations between said parties conducted under and in accordance with the provisions of Act 195 and constitutes the entire Agreement between the parties for the term of this Agreement or any extensions thereof. Each party waives their right to bargain collectively with the other with reference to any other subject, matter, issue or thing, whether specifically covered here or wholly omitted herefrom, whether or not said subject was mentioned or discussed during the negotiations preceding the execution of this Agreement.

ARTICLE 21 SUCCESSORS

This Agreement shall be binding upon the parties hereto, and their heirs, executors, administrators, successors and assigns of each, in accordance with applicable labor law. The STATE SYSTEM shall notify APSCUF in writing at least thirty (30) days in advance of any sale, lease, transfer or assignment of any of the UNIVERSITIES to political subdivisions or bodies, corporations, or persons.

ARTICLE 22
DISCIPLINE AND DISCHARGE

Section 1. A Contract of Employment for a COACH may be terminated in advance of the expiration date for any of the reasons listed below. In the event a President or their designee terminates a COACH for any reason listed below, they shall give written notice, specifying the reasons, to the affected COACH. Termination for any of the reasons listed below shall be reviewable through the grievance and arbitration procedure only to the extent that an arbitrator can determine if the offense occurred as charged. If an arbitrator determines the offense occurred as charged, the discharge shall stand. If an arbitrator determines the offense was not committed as charged, the COACH shall be reinstated with all back pay and benefits as provided by this Agreement.

A. A major infraction of the NCAA rules or any other athletic governing association (as distinguished from athletic conference), of that the UNIVERSITY is a member.

B. Conviction of a felony.

Section 2. Except as provided for in Section 1 above, a COACH may be terminated suspended without pay for a period not to exceed sixty (60) days, or otherwise disciplined prior to the expiration date of their Contract of Employment only for just cause. In the event a President or their designee believes such just cause exists, they shall give written notice, specifying the reasons, to the affected COACH, and the COACH shall have the right to grieve solely and by means of and in compliance with the procedure provided for in Article 4, GRIEVANCE PROCEDURE AND ARBITRATION.

Section 3. A copy of the written notice of termination or other discipline shall be mailed to the local APSCUF grievance chairperson and State APSCUF on the day the written notice is mailed or delivered to the COACH, whichever is earlier.

Section 4. If a terminated COACH contests their termination by filing a grievance, such grievance will be handled in an expeditious fashion in the steps of the grievance procedure. If the grievance is not resolved by the second step of the grievance procedure and APSCUF requests that the grievance be submitted to arbitration, the parties will make a good faith effort to schedule the grievance for hearing before an arbitrator within ninety (90) days, or sooner if possible, of the date the request for arbitration is received by the STATE SYSTEM/UNIVERSITIES.

Section 5. Investigation of Complaints against COACHES

A. This Article is not intended to replace the current complaint procedures that exist for filing discrimination complaints or complaints that may be processed under NCAA rules and regulations, PSAC rules and regulations in existence as of the effective date of this Agreement, or any other athletic conference rules and regulations of which the UNIVERSITY is a member.

B. The STATE SYSTEM and APSCUF recognize that it may be necessary to investigate complaints against COACHES prior to making a disciplinary decision. When appropriate, attempts should be made to resolve complaints informally. In those cases in which complaints are not resolved informally, the principles below shall apply:

1. If the UNIVERSITY determines to conduct an investigation of a complaint, either verbal or written, it shall be initiated and concluded within a reasonable amount of time. Absent unusual circumstances, the decision to conduct a formal investigation shall be made within twenty (20) days of receipt of the complaint.

2. The COACH accused of wrongdoing must receive a copy of the written complaint prior to the commencement of an investigatory interview or pre-disciplinary conference. In the event a written complaint is not submitted, the individual assigned to conduct the investigation shall prepare a written summary and provide a copy of the summary to the COACH prior to commencing an investigatory interview or pre-disciplinary conference. The COACH may provide APSCUF a copy of the written complaint or summary if they so desire. If the COACH has obtained APSCUF representation and the COACH has no objection, a copy of the complaint or the written summary shall be provided to APSCUF. Upon receipt of the complaint by the COACH and/or APSCUF, it shall be treated as confidential by all parties and may only be shared with those persons necessary to prepare a response to the complaint.

3. The COACH must be provided notice at least one (1) week in advance of a pre-disciplinary conference, except in cases in which the nature of the complaint requires that pre-disciplinary conference be conducted more quickly. In the event that the pre-disciplinary conference must be conducted with less than one (1) week's notice, the President/designee will provide the reasons for the shortened notice period in writing to the COACH prior to the pre-disciplinary conference.

4. At the conclusion of the pre-disciplinary conference, the appropriate manager will provide the COACH written notice of the anticipated date for a decision. Should an extension of the deadline be necessary, the President/designee shall provide the COACH with written notice to that effect, which shall include a new anticipated date for the decision.

5. Upon request, a COACH shall be entitled to an APSCUF representative during any meeting in which allegations are to be made that the COACH reasonably believes could lead to discipline.

6. If the complainant is a student who is a member of the COACH'S team, the investigation may be deferred, and the complainant's name need not be disclosed until after the end of the season.

7. If an investigation is expanded beyond its original scope, the COACH shall be advised immediately. APSCUF shall also be advised, if the COACH has obtained APSCUF representation and has no objection.

8. The COACH accused of wrongdoing shall be advised that they are prohibited from taking retaliatory action against the complainant or any other person and that such action may result in a separate disciplinary action.

9. This Article shall supplement and by no means shall diminish the rights of any COACH, APSCUF or the STATE SYSTEM/UNIVERSITIES under any law, including the Pennsylvania Public Employee Relations Act.

ARTICLE 23 ANNUAL PERFORMANCE REVIEW AND EVALUATION

Section 1.

A. Each UNIVERSITY shall utilize the performance review and evaluation procedure provided for in this article and the evaluation document provided for in Appendix E.

B. The annual performance review and evaluation process is a method of assessing performance and providing an opportunity for continuous professional development and shall also be used as a basis for providing merit increases as provided for in Article 10. These processes are intended to be supportive of a COACH'S desire for continuing professional growth and excellence. With this orientation, the evaluation of COACHES will contribute to the ongoing improvement of the athletic programs of the UNIVERSITIES.

Section 2. Categories of Performance Review and Evaluation

The following categories shall serve as the uniform system-wide basis for the evaluation of COACHES at each UNIVERSITY. These categories shall be applied in the performance review and evaluation of all COACHES for any purpose that evaluations are used in this Agreement. When evaluating the data, the appropriate Evaluator(s) shall give greater weight to the quality of the performance reflected in the data than to the quantity of the data. Evaluations will not be based on a single datum. A combination of all appropriate data will be used in evaluating overall performance of professional responsibilities.

When preparing a COACH'S overall evaluation, each UNIVERSITY shall consider the following factors:

A. Fulfillment of professional responsibilities, which shall include criteria such as General Performance, Administrative Performance, Competition Management, Interpersonal Skills, Student Relations, and Budget Management.

B. Professional Growth and Development, which shall include criteria such as participation in professional development programs and memberships in professional organizations.

C. Community and UNIVERSITY Service, which shall include criteria such as involvement in UNIVERSITY committees/groups and/or local community groups (including APSCUF), participation in UNIVERSITY and/or community events, and membership in NCAA, PSAC, and/or any other athletic conference.

Section 3. Student Athlete and Peer Evaluations

Student athlete evaluations and peer evaluations by other COACHES shall be part of the performance evaluation process at each UNIVERSITY.

Section 4. Evaluation Schedule

A. COACHES shall be evaluated after the semester in which the season ends in accordance with the schedule agreed to by local APSCUF and the UNIVERSITY.

B. Effective July 1, 2020, each COACH will be notified of the evaluation cycle in writing and a copy of this notice shall be provided simultaneously to the Local APSCUF President.

C. Effective July 1, 2020, a COACH's performance evaluation shall be provided no earlier than twenty (20) days prior to the expiration of the current evaluation cycle.

D. For newly appointed COACHES, the UNIVERSITY will provide the performance expectations within ten (10) days of the appointment date.

Section 5. Process

A. At or following the performance evaluation, but no later than the beginning of each evaluation cycle an assistant COACH shall meet with their head COACH and a head COACH shall meet with the Athletic Director to discuss performance expectations. At this time, or shortly thereafter, the head COACH or the Athletic Director will provide the assistant COACH or head COACH, respectively, with a Performance Expectation, as applicable, in each category of the evaluation indicating where the COACH either needs to maintain or improve performance. Whenever "improve performance" is set as an expectation, the reasons for which improvement is needed shall be stated in the performance review and evaluation document.

In the event that the COACH and the head COACH or Athletic Director, as applicable, disagree on the Performance Expectations, the COACH may request a meeting with the Reviewing Officer to discuss such expectations.

Local meet and discuss shall monitor compliance into timely setting of performance expectations.

B. COACHES shall be evaluated annually by the Athletic Director and the President/designee shall serve as the Reviewing Officer. Each UNIVERSITY shall utilize the Performance Evaluation and Review Document provided for in Appendix E.

C. The Athletic Director shall observe COACHES in at least one (1) full competition or three (3) hours of competition and one (1) full practice or two (2) hours of practice, whichever is less.

D. Head COACHES shall prepare a self-evaluation that shall be provided to the Athletic Director at the time agreed upon by Local APSCUF and the UNIVERSITY, when the evaluation cycle is determined.

E. Assistant COACHES shall prepare a self-evaluation that shall be provided to the head COACH at the time agreed upon by Local APSCUF and the UNIVERSITY, when the evaluation cycle is determined. The head COACH shall prepare their evaluation using the Performance Evaluation and Review Document in Appendix E and provide the assistant COACH with an opportunity to discuss their evaluation prior to submission of the evaluation to the Athletic Director.

F. Student athlete and peer evaluations shall be available to the COACH, the head COACH, if applicable, the Athletic Director, and Reviewing Officer.

G. The Athletic Director shall provide a written performance evaluation in accordance with this Article. The Athletic Director's evaluation shall take into account their knowledge and personal observation of the COACH'S performance, the COACH'S self-evaluation, and peer/student evaluations. Whenever a rating of "Below Expectations" or "Unsatisfactory" is given at any level of the evaluation, the evaluator shall explain the reasons for the rating in the written performance review of the COACH. The COACH shall be provided with an opportunity by the Athletic Director to discuss the draft performance evaluation. A copy of the Athletic Director's draft performance evaluation shall be provided to the COACH prior to discussion with the Athletic Director. The Athletic Director shall provide a copy of their performance evaluation to the COACH and the Reviewing Officer.

H. A COACH shall be allowed to offer written comments regarding their evaluation by the Athletic Director. Such comments shall be attached to the evaluation, which shall then be provided to the Reviewing Officer.

I. In addition to the right described in H. above, in the event a COACH disagrees with the Athletic Director's evaluation, the COACH may request a meeting with the Reviewing Officer. If, as a result of such discussions, adjustments are made to the original evaluation, the COACH shall be provided a copy of the adjusted evaluation and the original evaluation shall be destroyed. The adjusted evaluation shall be placed in the official personnel file. A COACH shall be allowed to offer written comments regarding their adjusted evaluation. Such comments shall be attached to the adjusted evaluation that shall then be filed in the official personnel file.

J. Whether or not a COACH asserts their right described in I. above, the Reviewing Officer may attach comments to a COACH'S evaluation. A copy of the Reviewing Officer's comments shall be sent to the Athletic Director and the COACH before the performance evaluation is made final. The COACH shall have the right to respond to the Reviewing Officer's comments in writing and/or meet with the Reviewing Officer before the performance evaluation becomes final.

K. Whether or not a COACH asserts their rights described in H., I., or J., above, the Reviewing Officer shall sign each COACH'S evaluation as follows:

1. Sign their concurrence without changes;
2. Adjust the evaluation as described in I. above and sign; or
3. Add comments as described in J. above and sign.

L. Once the performance evaluation has been signed by the Reviewing Officer, it becomes final. The final performance evaluation shall be filed in the official personnel file along with any comments by the COACH and/or Reviewing Officer.

Section 6. All evaluations prepared under this Article, other than student and peer evaluations, shall assign an overall rating to a COACH in one of the following categories:

- A. Significantly exceeds expectations
- B. Above expectations
- C. At expectations
- D. Below expectations
- E. Unsatisfactory

Section 7. Performance evaluations shall be subject to the provisions of Article 4, GRIEVANCE PROCEDURE AND ARBITRATION, but only to the extent that the evaluation was conducted in an arbitrary or capricious fashion, or is discriminatory in violation of Article 3. Action or inaction by a COACH, peer evaluators and the Athletic Director shall not be subject to the provisions of Article 4, GRIEVANCE PROCEDURE AND ARBITRATION.

Section 8. The failure of a COACH or Athletic Director to carry out their duties and responsibilities shall not bar the Reviewing Officer from conducting, in good faith, a performance evaluation, or from using the performance evaluation for appropriate purposes under this Agreement.

Section 9. No COACH, Athletic Director, or reviewing officer shall participate in the evaluation process of a member of their immediate family (spouse, child, step-child, parent, step-parent, parent-in-law, brother, sister, brother-in-law, sister-in-law) or a person residing in their household. If a peer evaluator cannot participate in the evaluation process, the COACHES Committee shall choose another COACH to serve. If a head COACH, Athletic Director, or Reviewing Officer cannot participate in the evaluation process, the President or their designee shall select a person to provide the performance evaluation.

Section 10. The parties agree that reasonable efforts shall be made to complete performance evaluation reviews prior to the required notice of renewal/non-renewal. To this end, representatives of Local APSCUF and the UNIVERSITY Administration shall attempt to agree on a schedule that would provide for the completion of the performance evaluations prior to the required notice of renewal / non-renewal. Such discussions may include the beginning and ending dates of the contracts of employment for the COACHES at the respective UNIVERSITY.

ARTICLE 24 PERSONNEL FILES

Section 1.

A. Each UNIVERSITY shall maintain one (1) confidential complete official personnel file for each COACH. No anonymous material shall be placed in the official personnel file. A COACH upon their request shall have the right to receive a copy of material placed in the personnel file by management personnel.

B. In addition, there may be one (1) official pre-employment file that shall be confidential and shall contain letters of reference and recommendations and/or material related thereto secured from sources outside the UNIVERSITY. At the time of the granting of the initial ROLL-OVER CONTRACT OF EMPLOYMENT that may be renewed annually one additional year, all letters of reference and recommendations shall be destroyed unless otherwise required by law or if there is a pending legal action and academic credentials shall be transferred to the official personnel file.

C. A COACH shall have the right to make such additions or responses to the material contained in their official personnel file as they shall deem necessary. Only material that is directly related to the COACH'S work performance shall be included in the confidential personnel file.

Section 2.

A. A COACH shall have access to their official personnel file during regular office hours, provided that there shall be no undue interference with the normal routine of the office. Under no circumstances shall the official personnel file be removed from the office by the COACH, and their access to the file shall be only in the presence of someone in authority in the office.

B. In addition to the COACH, only the Chancellor, President and their designees shall have access to the official personnel file without the express written approval of the COACH. The President and their designees shall be responsible for the placement of material in, and the removal of material from, the official personnel file.

C. The COACH shall have no right of access to the official confidential pre-employment file.

D. APSCUF shall have access to the official personnel file of a COACH at reasonable times during regular office hours, after having given reasonable notice, provided APSCUF first shall have obtained the express written approval of that COACH.

Section 3. If the official personnel file is duly subpoenaed in accordance with law, the COACH shall be notified at the earliest possible time.

Section 4. Other Rules for the Official Personnel File of Each COACH

A. No material derogatory to a COACH'S conduct, such as service, character, or personality, shall be placed in the COACH'S official personnel file unless the COACH has had an opportunity to read the material first. The COACH shall acknowledge that they have read the material by affixing their signature and the date signed on the material to be filed.

B. A statement indicating that the understanding is that such a signature merely signifies that the material has been read and does not necessarily indicate agreement with its content shall be included on all such material. If a COACH refuses to affix their signature on any such material, a statement to the effect that the COACH was shown the document and refused to sign it shall be entered on the document and signed and dated by the initiator. If the COACH refuses to sign, the material shall also be signed and dated by an appropriate witness. The custodian of the record shall be responsible for obtaining the COACH'S signature and for entering the appropriate statement on the copy of the document that is to be placed in the COACH'S official personnel file.

C. Any material in a COACH'S official personnel file, not acknowledged as described above, that the COACH deems derogatory, shall be removed from the file at the COACH'S request.

D. Derogatory material not brought to the COACH'S attention within ten (10) college calendar days after its receipt by the official custodian shall not be placed in the COACH'S official personnel file. The COACH has a right to answer any material that is derogatory to a COACH'S conduct, and the COACH'S response shall be placed in the file.

E. The performance evaluations shall be permanent documents included in the Official Personnel Folder, and these evaluations shall consist only of documents related to performance evaluations that were made in accordance with the required procedures of the collective bargaining agreement in effect at the time which the evaluation was made.

F. In the case of letters of caution, reprimand, admonishment, or warning that are temporary material to be retained in the Official Personnel File/Folder, the following policy shall apply. If a COACH has had no reprimand during any six (6) year period, all reprimands shall be removed from the file. If a COACH has had reprimand(s) within any six (6) year period, it (they) shall remain as well as all prior reprimands.

G. When a person is authorized to review an Official Personnel File, they will be required to enter the following information in a log: name of the COACH whose records are being reviewed; date and reason for the review; signature of the person reviewing the file. The custodian shall also initial the withdrawal and return of the Official Personnel File/Folder. The custodian of the Official Personnel File shall be responsible for the maintenance of this log and for the maintenance and contents of the Official Personnel File in accordance with established procedure and policy.

The log indicating those who have reviewed the file with provision for both the reviewer and the custodian to acknowledge signing out and signing in shall be retained in the appropriate Official Personnel File on a permanent basis.

ARTICLE 25 COACHING VACANCIES

If a UNIVERSITY forms a search committee to fill a coaching vacancy, the COACHES committee shall designate a representative to serve on the search committee. If a UNIVERSITY forms a search committee to fill an assistant coach vacancy, the COACHES committee shall designate a representative to serve on the search committee and the appropriate head COACH shall also serve on the search committee. Additional COACHES may be appointed to a search committee at the UNIVERSITY'S discretion.

ARTICLE 26 COACHES COMMITTEE

Section 1. For purposes of addressing areas of common concern and interest of the COACHES to appropriate UNIVERSITY officials and/or organizations, the COACHES at each UNIVERSITY shall organize themselves into a committee. Failure by the COACHES to establish a committee as provided for herein shall not be subject to the grievance and arbitration procedure. This committee may elect a chairperson and determine how it will organize itself in order to conduct business. The establishment of this committee does not imply a role in administering the athletic program; rather it is to address the concerns of the COACHES as a group. Examples of these areas of concern include, but are not limited to: office space, equipment and secretarial/support staff, evaluation procedures, representation of COACHES in appropriate UNIVERSITY-wide committees (e.g., parking, advising, financial aid, facilities, calendar, health and safety, search committee), liaison with faculty, administration, professional development and long-range planning.

Section 2. The chairperson serves as the chief representative and spokesperson of the COACHES committee to the UNIVERSITY community. In all phases of committee affairs, the chairperson shall be sensitive to and reflect, but not be restricted to, majority sentiment.

ARTICLE 27
TERM OF AGREEMENT

Section 1. This Agreement shall be effective as of July 1, 2019, and shall remain in full force and effect to and including June 30, 2023, unless an earlier effective date is provided for in this Agreement. This Agreement shall automatically be renewed from year to year thereafter unless either party shall notify the other party in writing of their intent to renegotiate all or parts of this contract by such time as would permit the parties to comply with the collective bargaining schedule established in the Public Employee Relations Act.

Section 2. IN WITNESS WHEREOF, the parties to this Agreement intending to be legally bound by its provisions have signed and executed this Agreement on 29 April 2020.

DISABILITY RETIREMENT DETERMINATION PROCEDURE FOR ALTERNATIVE RETIREMENT PLAN PARTICIPANTS (See Article 13, Section 3)

This procedure is adopted to implement the disability retirement determination standard created by Article 11, Section 8.G.2 of the Collective Bargaining Agreement.

1. To determine if an Alternative Retirement Plan participant qualifies for the benefits granted under the above-referenced Articles, all relevant evidence shall be submitted to a physician selected by mutual agreement of the parties. The physician's determination shall be based on the standards utilized by the State Employees' Retirement System (SERS) in determining eligibility for disability retirement. The physician's determination shall be issued to the employees, the State System, and State APSCUF.
2. In the event an employee is dissatisfied with the physician's determination under paragraph 1 above, the employee or APSCUF may appeal that determination to final and binding arbitration to be conducted before and decided by one of the arbitrators selected by mutual agreement of the parties under this procedure and not by an arbitrator selected under Article 4. The arbitrator shall apply the standards used by the SERS determining eligibility for disability retirement.
3. The physician and arbitrators chosen at the time of making this Agreement have been chosen because of their experience in making determinations under SERS standards. Should it be necessary to select additional physicians or arbitrators during the term of this contract, the parties agree that they shall attempt to select people with similar qualifications.
4. The arbitrator's fees and expenses shall be shared equally by APSCUF/COACH and the STATE SYSTEM/UNIVERSITIES but each party shall bear its own cost of preparing and presenting its case to the arbitrator.
5. Disputes arising under this side letter shall not be subject to the Grievance and Arbitration provisions of Article 4 of the Collective Bargaining Agreement.
